## Authorization

I understand that I am responsible for all charges incurred by me or my family regardless of insurance coverage and that **payment is due at the time services are rendered**. I also request that payment under my dental insurance program be made directly to Pediatric Dentistry of Loveland on any unpaid bills for services furnished to me or my family. I authorize the release of any dental information necessary to process this claim and all future claims. If my bill is not paid, I am liable for collection fees.

By providing us with your phone numbers, you give us express authorization to contact you at those numbers. This express authorization also applies to any landline/cell phone numbers you acquire in the future. Phone calls to you may be made utilizing automated dialer technology. Providing your phone number is not a condition of receiving services.

**No-show Policy:** You also agree to give timely notice if you are unable to make an appointment. When we schedule an appointment for your child we are holding that time for you. Our dentists and assistants have very full schedules. If you need to cancel, please let us know as early as possible so that others can be served.

**The permission of a parent or guardian is necessary for dental treatment of a minor.**

I give the doctors permission to use such measures as deemed necessary in their professional judgment to render a diagnosis for my child. This would include an oral examination, radiographs (X-rays), and other diagnostic aids. I have given an accurate report of my child's physical and mental health history. I have also reported any prior allergic or unusual reactions to drugs, food, anesthetics, blood or body diseases, gum or skin reactions, abnormal bleeding or any other conditions that my child's medical doctor has advised me should be reported to a dentist.
